Brand Starts Here

Brand LOGO is the soul symbol that allows consumer to remember the main company and brand identity through Customization. It can be done for corporate gifting and personal celebration with personal touch or special messages. Provide your brand logo, brand assets or corporate identity and we will place your brand with the best packaging solution. Make your product exclusive!

Customization

How It Works

Brief

Step 1

Come up with your design inspiration or you can select the product from our vast catalogue, mould and design bank.

Approval

Mock ups are ready and you need to select the best possible sustainable and ecofriendly packaging for your brand and services. We work out on quantity, pricing and delivery schedule.

Step 3

Mock Ups

Our efficient and reliable design team develop mock ups based on your brief. Mock ups are sent to you for approval. Please note, it may take some revisions. Mock ups are developed in our inhouse sampling unit.

Step 2

Step 4

Production

Ecofriendly and sustainable packaging products are manufactured as per approved design and quantity in our manufacturing unit.

Step 5

Delivery

Manufactured packaging products are shipped to you and food packaging are ready to use. We are happy to help you.
